**Blood testing for Newburgh Area Residents**

## Sign up for free blood testing.

Newburgh's water supply was contaminated by a toxic chemical (PFOS). While Newburgh is receiving safe, clean water now, blood testing will show how much PFOS is in our bodies.

### Sign up for Blood Testing

Call: (518) 402-7950

Email: [beoe@health.ny.gov](mailto:beoe@health.ny.gov)

*Perfluorooctane sulfonate (PFOS) is a toxic chemical that has been linked to serious health issues, including cancer, thyroid problems, and high cholesterol.*
