

Undamming the Hudson River

Premiere Film Screening and Panel Event
Presented by Riverkeeper and Patagonia

Join us for an eye-opening new film by Jon Bowermaster about Riverkeeper's efforts to restore habitat in the Hudson River by removing obsolete dams.

Stay for a panel discussion and Q&A featuring:

George Jackman, PhD - Habitat Restoration Manager, Riverkeeper

Laura Wildman - Water Resources and Fisheries Engineer, Princeton Hydro

Gwen MacDonald - Director of Green Projects, Save the Sound

Andy Danylchuk, PhD - Patagonia Fly Fishing Ambassador

Moderated by Jon Bowermaster - National Geographic filmmaker

Introduction by Riverkeeper's **Captain John Lipscomb**

Tuesday, October 23rd 7:00 - 10:00 pm

Patagonia SoHo 72 Greene St, New York, NY 10012

Refreshments will be served – Bring your own reusable cup!
