

PUBLIC MEETING NOTICE

Environmental Projects at Stewart Air National Guard Base

Thursday, November 7, 2019
6:00 pm

Newburgh Armory Unity Center, Larkin Center
321 South William Street
Newburgh, NY 12550

The Air National Guard will update the community on the environmental projects at the base. Topics will include the installation of a treatment system at the recreation pond, an ongoing water site inspection at Stewart Air National Guard Base and the development of the Restoration Advisory Committee.

For more information call please call 845-563-2075 or visit <https://www.orangecountygov.com/1768/PFOSPFOA-Resources>
